henryyang0518@gmail.com

Skills Profile

- Proficiency in Figma
- A deep understanding of the user-centered design process
- Intermediate in HTML, CSS, and Javascript (React)
- Seasoned visual design skill
- A strong sense of responsibility developed from committing to multiple self-directed activities
- Capable interpersonal skill with the intention to understand others
- Fluency in English and Mandarin

Experience

Founder/Executive, Saint John High School (SJHS) Guitar Club

2015-2019

- Regularly coordinated with the school committee which increased the recognition of the club
- Provided free introductory guitar lessons to all members, and many members' skill grew to intermediate level
- Expanded the club to one of the biggest music club in school with 18 members
- Awarded "The Hounds Music Awards Celebrating Contribution to the Music Life at SJHS"

Speaker, TEDxYouth@SJHSchool

2019

- Delivered a TED Talk on the scientifically proven harm of pornography to an audience of 60 people
- Successfully raised the school-wide awareness of pornography addiction

UX Designer Intern, AI Garden

April 2020-October 2020

- Identified the target audience of the company with an in-person user research field trip in rural China
- Helped the developer with simple front-end tasks
- Designed the UI for smart irrigation solution based on the user research and existing brand visual identity

Product Designer, UBC Launch Pad (HappyHour)

September 2020-April 2021

- Identified strengths and weaknesses of the dated scheduling app When2Meet with remote usability tests
- Spearheaded the redesign of When2Meet based on the user research and created new brand visual identity
- Collaborated with designer and developers in a semi-professional set up

Interests

- Journaling
- Guitar
- Music Production
